

IWE Team

The International Watermedia Exhibit is our largest, most prestigious yearly exhibit we host, usually in March. The work of this team includes a variety of jobs, each with its own sub-team or committee.

- Awards --working with the nationally renowned juror/judge on the Awards from selection to presentation.
- Uncrating/recrating – unpacking/repacking the 100 paintings from around the world
- Hanging – mounting the exhibit of the 100 paintings
- Catalog creation – preparing the virtual catalog of the 100 paintings
