

JUDI COFFEY NWS

A great Day, November 4, 2023

SUPPLY LIST

Paint: Acrylics or water colors. A tube of "Basic" gold acrylic.

Paper: any watercolor paper cut to a square. I really like 22 /22.

Palette: I use a piece of glass, edges bound with tape.

Brushes: Any brushes, small ones for the final touches.

PLEASE BRING: Matte medium (for collages) I have a magic box to share with you.

To see all of our painting together bring a piece of foam core. 30 /30 as we will just use it as a matt.

Abstract lines & circles make wonderful patterns. Remember doodling! ?

I found Zentangle more fun as my final design. It finishes the painting.

I am looking forward to meeting new & longtime friends. Just being in a room with so many gifted artists it is fun & exciting for me.

They reflect moods of joy, energy, wonderful designs, and a strong visual impact.

"A free for all" good time'
